EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Randall Wayland on 8 March 2004.

The application has been amended as follows:

Claims 1-9, 17 and 19 are cancelled.

Claim 10, line 4 "to allow a" is deleted,

line 5 is replaced with --wherein a gob drops under the influence of
heat and gravity--.

Claim 11, line 4 "to allow a" is deleted,

line 5 is replaced with --wherein a gob drops under the influence of
heat and gravity--.

Claim 14, line 4 "to allow a" is deleted,

line 5 is replaced with --wherein a gob drops under the influence of
heat and gravity--.

Claim 14, line 4 "to allow a" is deleted,

line 5 is replaced with --wherein a gob drops under the influence of
heat and gravity--.

Claim 20, line 5 is replaced with --pregobbing apparatus thereby forming
a pre-optimized shape preform tip, and--

Claim 21, line 5 is replaced with --temperature profile in a hot zone thereof
thereby forming a pre-optimized shape preform
tip on—.

The following is an examiner's statement of reasons for allowance: The claims are allowed because of the substantially equal/identical temperature profiles. The prior does have a divided process – but uses burner to drop the gob. A burner would create a completely different temperature profile.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Hoffmann whose telephone number is (571) 272-1191. The examiner can normally be reached on Monday through Friday, 7:00- 3:30.
